Selective Service

It is the responsibility of every male to register for the selective service on his 18th birthday. If you do not, you jeopardize your financial aid and possible admittance into college. Applications are available at the US Post office or the College office, as well as the FASFA application.

Don't Delay!!!

FASFA

The 2003-2004 FASFA Applications are now available in the College Office, room 366. Remember, you have to apply to college first.

Students who qualify for financial aid programs such as; EOP/HEOP/SEEK/DISCOVERY, need to apply as soon as possible, so determination can be made for admissions.

Also, I recommend that you file online, it only takes 2-3 days to receive your pin number. It is far easier than the traditional paper application.

ACCEPTANCE LETTERS

Please bring copies of all acceptance letters that you receive to the college office, whether or not you plan to attend.

This includes military contracts and apprenticeship programs.

COLLEGE APPLICATIONS

CUNY APPLICATIONS – You can still send in your applications for CUNY. But at this point, if you have not yet taken the SAT's (JAN date is okay), you should only be applying to the 2 year programs.

You must mail these applications directly to UAPC with a **MONEY ORDER ONLY!**

SUNY APPLICATIONS - If you are interested in attending a SUNY school in the fall, you must get your application to the College Office no later than February 1st. If you do not have a SUNY application, they are available in the College Office. Each school you apply to is \$40, payable by personal check, money order, or credit card.

Private Colleges – All deadlines are different, but definitely close!!!

Again, if you have not or will not have taken the SAT'S by the end of January, you cannot gain admittance into a four-year college.

Students who qualify for EOP/HEOP/SEEK/DISCOVERY Programs should have their applications in immediately. Funding is extremely limited and many people are competing for it.

Scholarships....Scholarships....Scholarships....
